President's Note

July 25, 2018

Oh, how fast the summer is speeding along with June and July events already behind us. With all those great memories we still have August and September with some great events planned. Saturday, August 18th will be our picnic meeting at the Lane's with the Horseless Carriage Club joining us. We are responsible for salads and desserts. There will not be a meeting on the 12th as previously planned.

On Wednesday, September 12th we will leave La Center at 8:30 AM for the President's Tour to Leavenworth. We will travel I-5 to Hwy 12 Exit 68 thru Mossyrock, Randle, Packwood, White Pas to North Yakima. For our first day lunch will be in Packwood, traveling 191 miles. The second day we will travel Old Blewett Pass Road to Leavenworth 93 miles arriving around noon with plenty of time to explore all the shops. On our return trip we will travel Hwy 97 back to Yakima then take Hwy 410 to Chinook Pass, elevation 5400 feet, having lunch in the area and then spend the night in Packwood and returning home Hwy 12 and I-5.

See you soon at these events,

Jerry

Knowledge Nugget

The very first Ford sold was to Dr. Pfennig in 1903, for a grand total of \$850. The "Model A" had a 2-cylinder engine, and could reach a max speed of 30 mph.

Volcano A's General Membership Meeting Minutes **July 9, 2018**

CALL TO ORDER: Jerry Lane called the meeting to order at 7:00 pm.

NEW MEMBERS: Brooke Lindsay has joined our club.

TREASURER: Linda Willey gave the financial report.

TOURS: Roger Green reported "Bruno" found his way to the back of Jerry Lane's car because of a problem on the Roughrider's Tour! He then moved to Jim Kelly's car because he ran out of gas during the Ridgefield Parade!! 18 cars participated in the Ridgefield Parade. Great turnout and the potluck at Roger's was super! July 14th is the Historic Columbia River Highway Antique Car Tour. We will meet at Fred Meyers on Chkalov and leave at 9:00. The progressive dinner has been cancelled. The August meeting is on Sat. Aug. 18th during the annual potluck at Jerry Lane's. We will be joined by the Horseless Carriage Club starting at 10:00. There is a car meet at the Starlite Dinner on Aug. 13th from 10 to 2.

EDITOR/WEBMASTER: No Report.

COMMUNITY SERVICE: June's food collection totaled 94 #'s bringing the year to 883 #'s.

SUNSHINE: Pat Dusenberry reported flowers were sent to Kathy Green following surgery and Ardis Collins for John's passing.

LAVA LADIES: Dian Lane reminded everyone that jackets can be ordered. Roger said name tags too, can be ordered.

OLD BUSINESS: The minutes were approved and seconded by Gary Swartz and Jesse Baker.

Jerry said the Roughrider tour was great! There was a good turnout for the Beaches PIR Cruise in June 27th. It was reiterated that the Ridgefield Parade and the potluck at Greens was a great time! Our model A club received the "Grand Marshal" Award this year at the parade. Congratulations!

NEW BUSINESS: The President's Tour was announced! It will be Sept. 12-15 and we are headed to Leavenworth WA. We will travel up I-5 to hwy. 12 and through Packwood and Yakima. We will stay at the Best Western. Further details to follow. John Collin's Memorial will be July 22nd at the Hazel Dell Park, 2300 NE 68th St. at 2:00. Everyone is welcome. It was unanimously approved that \$50.00 will be donated to the Alzheimer Foundation in John Collin's name.

RAFFLE: Leonard Willey won \$42.00 and \$42.00 goes to the club.

REFRESHMENTS: It was Carma Huset's birthday so birthday cake was served!! Also, Linda Neilson supplied fruit breads!

ADJOURNED: Meeting was adjourned by Jerry Lane.

Submitted by Sherry Rusunen.

Lava Ladies

Please bring your school supply donations to our August 18th club picnic at the museum.

Our next gathering will be in October for our Annual Babies in Need lunch. We enjoy a leisurely lunch and displaying all of the layette items we bring to donate.

Upcoming Car Show

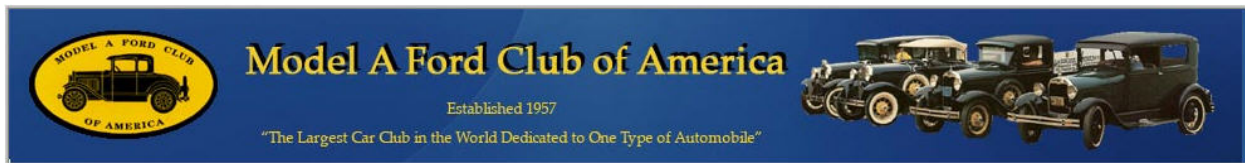

Stardust Diner - Cruise for a Cure
August 12th 2018, Sunday
9:30 meet at the Wilco parking lot, the new store at 1901 NE 162nd Ave, Vancouver, WA 98684. At 9:45 leave Wilco for the Stardust Diner. It will be a quick drive south on 162th & 164th.

Tom Ryan assures me that this will be a fun car show (if you get bored, just go see a movie!). All benefits go to the American Diabetes Association. Please see the flyer on page 11. The show is scheduled from 10 am to 2 pm.

Where is Bruno Now?

Bruno was first seen on the bumper of Jerry Lane's 1930 Fordor Town Sedan after the Rough Rider tour. It wasn't there long as it transferred to Jim Kelly's 1931 5-window Coupe during the Ridgefield Parade as Jim ran out of gas on the way to Roger Green's place after the parade.

MAFCA President's Page – Doug Linden

July 2018

I have just returned home from attending the Aces and A's MAFCA Convention in Sparks, NV. Wow, what a great event this was. I must say that everyone was especially happy to see Chairman Trudy Vestal in attendance; a recent medical issue made this almost impossible. Co-Chair Jim Costello did a great job making sure the event went off without any problems.

We were able to connect with friends from all over the country and our friends from New Zealand, Australia and Canada. The seminars were great, the Fashion Show and Tea was a success and the quality of the show cars was excellent. And seeing the local roads filled with Model A's on self-guided tours is always fun to watch. The weather was perfect, especially for the two cruises to the magnificent Lake Tahoe. What a beautiful area to tour in your Model A. I would like to thank all the members of the Northern California Regional Group (NCRG) under the leadership of Trudy Vestal and Jim Costello for their extraordinary effort planning and hosting this amazing event.

Next on our calendar will be the National Awards Banquet (Nov 27-Dec 1) in Tucson, AZ. I had a chance to talk to Chairman Dave Ramsower, and he and his team have many events planned. You can find more information on this in the July/August issue of *The Restorer*.

If you have the opportunity, please make plans to visit the MAFFI Model A Museum in September for their Model A Day celebration. I and a few other MAFCA board members will be on site greeting those attending. If you have not visited the Model A Museum, which is part of the Gilmore Museum complex, you need to add this to your must visit list.

Touring season is in full swing now and I am getting the Model A ready for the many parades coming up. Happy Fourth of July.

MAFCA Information

The **Model A Ford Club of America, Inc. (MAFCA)** is a California non-profit corporation and a national historical society dedicated to the restoration and preservation of Model A Ford vehicles as manufactured from 1928 through 1931.

MAFCA's members are dedicated to the restoration, preservation, and enjoyment of Ford vehicles of that era. MAFCA is the largest club in the world dedicated to one make of automobile. Volcano A members are urged to join the Model A Ford Club of America, Inc. Visit the MAFCA website for a membership application. Dues are \$40 yearly and include a subscription to **The Restorer**.

Model A Technical Tips

Tiny Tips For Your Model A Book Available at MAFCA.com

CRANKCASE VENTILATOR

I have eliminated my Model A blowby problem and have cleaner oil too! Several years ago, another Model A enthusiast suggested using a tube from the valve side cover plate to the intake manifold to route the fumes from the crankcase. This was good. What I have done is to embellish upon it.

Inside the oil filler cap, I have added a stainless steel pot and pan scrubber (like real coarse steel wool), available at any market. To this I have added a PCV valve (Lee #LV-61) for a 225 C.L.D. Slant Six Valiant engine, which is of fiberglass composition with stainless steel parts.

MAFFI Newsletter Minute July 2018

As you can imagine, by now, arrangements are set for this year's Model A Day at The Gilmore (Saturday, September 15th). This year we are pleased to announce six Model A seminars as part of the events planned. Much work has been involved in preparing material from our fellow Model A hobbyists. Three of the seminars are focused on more technical aspects, including Model A Glass, Model A Wood and Model A Front-End Alignment. We also have seminars that address other areas of interest including Shopping on line for Era Fashions, Preparing Your Model A for Touring and tips and ideas regarding Buying and Selling a Model A.

Model A Day at our Model A Ford Museum at The Gilmore offers many opportunities to see a variety of unique and award-winning Model A's and to learn more about the Model A through interaction with other hobbyists and through planned and organized seminars. We hope you will join by attending Model A Day on the Gilmore Museum grounds located in Hickory Corners, Michigan.

Service Station Series - Six Gallons of Regular for a Dollar

This "Pleasant" Gilmore Service Station was selling six gallons of "Higher Gravity" gasoline for a dollar, which today appears to be a very low price for fuel. Back in the late-1920s when today's lead image was taken the cost of this fuel per gallon was 16.6 cents.

With inflation over the years added in it would cost \$2.29 a gallon of fuel which is about 40 cents a gallon less than the average price of gas today in the US. The cost may appear to be cheap now with today's higher gas prices, although only year ago it would have sold for about the same price per gallon.

The Service Station and a Miller Tire shop operated by E.F. Ransom were located on the same lot at 621 North Fair Oaks Avenue in Pasadena, California; today the site contains a parking lot and shopping center. The combination of the two-service facilities side by side probably results in more sales for both operations.
