## **President's Note**

**January 26, 2018**

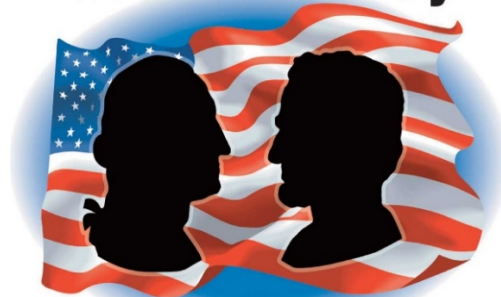

Well here we go into a Model A weekend with Lava Ladies planning meeting and lunch to be followed by our Board Meeting for planning 2018 expenses on Saturday. Our income and expenses are expected to even with preceding years. Our expenses have gone down tremendously since Bob, our Editor changed the newsletter mailing from regular mail to email, thanks Bob for all the hard work.

Then on Sunday Roger will lead us on an interesting tour in Vancouver.

Also, it is not too late to sign up for the Valentine Brunch at Summit Grove Lodge on Sunday, February 11<sup>th</sup>. So far 39 have signed up for the fun filled event.

**Volcano A's General Membership Meeting Minutes**  
**January 8, 2018**

**CALL TO ORDER:** 7:00 pm by President Jerry Lane.

**TOURS:** Roger Green reported Dickson Lee is planning a future tour for the group. Other upcoming tours are: June, Annual PNW Antique Picnic; Progressive Dinner; 4<sup>th</sup> of July Parade; Picnic in Aug; President's Tour in Sept; Roughrider Tour; & Garage Tour. Jan. 28<sup>th</sup> is a possible tour. If so, meet at Wilco on 162<sup>nd</sup> & 18<sup>th</sup> Ave. at 1:30. Confirmation will be sent via email.

**TREASURER:** Linda Willey gave the financial report.

**EDITOR/WEBMASTER:** Bob Rusunen reported there are only 2 calendars left.

**SUNSHINE:** Pat Dusenberry was not present for a report because Jack is home ill.

**LAVA LADIES:** Nancy Woolridge asked for more help on the sign-up sheet for refreshments. Men are welcome to help and sign-up! Dian Lane said the Ladies will meet upstairs during the guys workshop so they can plan the year for community service.

**COMMUNITY SERVICE:** Joyce Swartz reported the Food Bank totals: Nov. 100#'s, Dec. 9 #'s, and total for the year of 2017 was 2311#'s!!

**OLD BUSINESS:** The minutes were approved and seconded by Roger Green and Linda Willey.

**NEW BUSINESS:** The possibility of doing a Valentine dinner will be looked into. The club has paid its annual membership fee of \$75.00 to MAFCA. Jerry Lane stated that the front cover of the Jan. Newsletter was great! Bob Rusunen said he planned on featuring past members cars this year in loving memory. Jerry mentioned the Fletcher picnic and the National Convention in Reno. Keep these in mind.

**RAFFLE:** Mike Blick won \$41.00 as did the club!

**ADJOURNED:** Meeting was adjourned by Jerry Lane.

Submitted by Sherry Rusunen

**Annual Board Meeting Minutes**  
**January 27, 2018**

**CALL TO ORDER:** 1:00 pm by Jerry Lane.

Jerry announced that Bert Uthe has broken his back and is now at Prestige Care Center in Camas.

The Sweetheart Valentine Brunch is at the Summit Grove Lodge on Sunday Feb. 11<sup>th</sup> at 1:00. So far 41 have signed up to attend.

It was discussed that club jackets and name badges be offered again to new members. This will be brought up at the general meeting and pursued.

It was suggested that the idea of a "Garage Day" be discussed again at the general meeting.

Cookbooks were discussed. We have some left and perhaps should be brought to the general meeting and offered for sale to all members again, especially new members.

The 2018 budget was reviewed and finalized. A vote will be presented at the Feb. general meeting.

Meeting was adjourned at 2:45.

Submitted by Sherry Rusunen.

**How did Henry Ford treat his workers?**

Ford believed that a good pay rate would increase the loyalty of his workers to the Ford Motor Co. A lower turnover rate would mean less downtime and lower expenses for recruiting and training new workers. Ford added a sociological department that evaluated and tried to improve his workers' lives. However, he opposed unions, as he believed that he understood what his workers needed the most. Over the years, Ford became widely recognized as a caring industrialist who empathized with blue-collar workers.

Ford not only cared for his workers but his customers as well. In 1908, he designed the Model T car for the common people. The model became so immensely popular that the company couldn't manufacture enough cars to meet the high demand. In 1913, Ford decided to incorporate a motorized assembly line for a faster and less expensive production. The efficient assembly line allowed the company to save on manufacturing costs. Ford cut the price by more than \$500 to make the cars more affordable to the masses.

## Volunteering

Some people make things happen.

Some people watch things happen.

Some people wonder what happened.

Great club members make things happen. What sort of club member are you?

And I might add to it: "Have you signed up for providing snacks at the meetings? Have you planned a tour or cruise? Have you hosted an event? Have you served as an officer in the club? Have you volunteered some service to the club? These things (and more) are all ways to become a great club member. Just showing up at the meetings is not enough. Clubs like ours run on volunteers doing things.

## MAFCA President's Page – Doug Linden

January 2018

I would like to start off the New Year by wish all of our members a healthy and prosperous 2018.

I would also like to thank the board for electing me President for the coming year. I, and all the members of the board, have one objective: to serve MAFCA to the best of our ability. Our goal is to continue to have MAFCA be an organization that provides our members with first class services and benefits, while at the same time having fun with our Model A's.

A big thank you goes out to departing board members **Happy Begg** and **Donna Lewis** for their dedication and service to MAFCA at the expense of their valuable time. Returning to the board for 2018/2019 will be **Alex Janke** who will continue as Treasurer, **Doug Clayton**, who will continue as Publications/PR Director and **Dan Foulk** who will re-join us as Advertising Director. Making up the rest of the board will be: **David White** - Vice President, **Kay Lee** - Secretary, **Jay McCord** - Membership/Marketing, **Jim Cannon** - Technical and **Garth Shreading** - Chapter Coordinator. The entire Board is looking forward to 2018.

MAFCA will also say good bye to Jim Spawn, who is stepping down as editor of The Restorer for the past 17 years. Jim's unique combination of being a Model A'er and history buff along with his creative talents have transformed The Restorer into an award winning, world class magazine. We wish Jim, and Melissa, all the best as he transitions from editor to active member and we sure hope we see them both at future MAFCA events.

The 2017 Awards Banquet in Oklahoma City was a success thanks to efforts of Vaughn Cille Weidner and the rest of the members of the Sooner Model A Club. This event capped off the celebration of the 50th Anniversary of their chapter. Our 2018 Awards Banquet will be held in Tucson, AZ. I hope you can join us there. MAFCA's highlight event of the year will be the national convention in Sparks-Reno in June. What an event this is shaping up to be. My wife Nan and I are already planning our activities while we visit the area. We look forward to seeing the many national and international friends we have made attending these conventions, which, for us, is what makes these events special. If you have never attended a national convention, make your plans now.

The 2018 Board will conduct its first meeting shortly at which we will begin our budget planning process. This is always a challenging exercise. The board also has an immediate priority of finding a new editor. This process has begun and we hope to be able to appoint a new editor of The Restorer magazine as soon as possible. The board is also looking for a member with a background in marketing that can help us develop a marketing plan for MAFCA. Does this sound interesting? Feel free to contact me if it does.

I would like to remind you that the board is here to represent you and I encourage you to contact any one of us if you have any questions, suggestions or concerns. We would very much like to hear from you. Our email addresses are on the [Key People page](#) - just click on our name.

## Jim's Tech Tip

A film builds up on glass with time as you drive, especially on the windshield. About once a year it helps if you give the glass a very thorough cleaning. I use a paper towel with a LITTLE lacquer thinner on it to remove the film. You will see the black slime on the paper towel as you go. (Obviously, don't get the thinner on your paint.) Then follow up with a good glass cleaner. My favorite cleaner is called "Sprayway Streakless Glass Cleaner"; it has no ammonia. I know WalMart stocks it, other stores probably do, too. It really gets the glass clean and shiny.

### **Gas for Fifteen Cents a Gallon: Goodrich Tires Service Station**

The B.F. Goodrich and Firestone tire companies began opening tire stores with combined service and lubrication facilities in large cities around the country in the late-1920s. Goodrich opened a number of new outlets in the Los Angeles, California area in the early-to-mid-1930s probably in an effort to retain its market share during the Great Depression.

These staged promotional photos were taken by the Dick Whittington photo agency of a Goodrich service station on Elk Street in the Glendale neighborhood of Los Angeles (one of Whittington's 1932 Ford Model "B" roadsters is used as a prop.) On the far-right-hand side of the image are a service area and next to it the lubrication facilities. The second photo below shows a Goodrich balloon tire on a special rim to suit it.
