Model A's on Lucia Falls Tour

President's Note October 23, 2017

Well darn it anyway, we had to cancel our Cascade Hills Tour because of weather conditions, probably a good thing as the snow prediction was accumulation of about hip pocket deep to a tall Indian and rain swollen creeks. We will have plenty of chances to experience that tour and many others in the future, keep those Model A's tuned and ready.

Don't forget to make plans to participate in the Veteran's Day Parade Saturday, November 11th. We will meet at 711 Grand Blvd, Baders Beer & Wine Supply at 9:30 so we can be in the parade line up by 10:00. We will go to lunch after the parade.

Lava Ladies "Babies in Need"

Saturday, October 14th was a beautiful Fall day in which the Lava Ladies celebrated our annual "Babies in Need" luncheon at Rockies Pizza. 13 ladies enjoyed our "baby shower", oohing and aahing over all the beautiful baby items donated by the ladies and friends! The car trunk was filled to the brim! Thanks to all who participated!

October 2017

The Board of Directors had a very successful meeting at the Gilmore Car Museum, home of the Model A Ford Museum in September. One action the Board agreed upon was to extend the free membership program to Model A enthusiasts who have never been a member of MAFCA through the 2018 calendar year. If you have a friend in the hobby who has never been a member of MAFCA, tell them about this program, and have them contact Jay McCord at [chaptercoordinator @ mafca.com](mailto:chaptercoordinator@mafca.com).

While in Michigan, the Board also attended **Model A Day** at the Museum. We had over 40 new members join MAFCA. It was a beautiful day with over 100 Model As on the field. A few very special cars were featured in front of the Museum, a Deluxe Panel Delivery, a Town Car, and a GAZ Jeep of the Gorkovsky Avtomobilny Zavod (Gorky Automobile Plant). [Click here for more information on these interesting automobiles made in Russia.](#)

I know all of you who went on the 2017 National Tour had a great time driving the beautiful roadways of California. I can't wait to hear of your adventures!

I hope you have registered for the 2017 National Awards Banquet being held in Oklahoma City. The Sooner Chapter has a great event planned for all of you! We will be celebrating the 50th anniversary of the Sooner Chapter, the national award winners for 2017, and the installation of the 2018 Board of Directors. Lots of fun awaits you in Oklahoma City! I hope to see you there!

The registration materials are now available for the 2018 National Convention in Reno, Nevada. Our host group, the Northern California Regional Group, has planned an adventure that you are not going to want to miss. Please visit the MAFCA website or the [NCRG website \(2018 MAFCA Convention\)](#) for more information and registration forms.

Do you have marketing skills? MAFCA is looking for an expert to advise the club in the area of strategic marketing. Please contact any member of the Board of Directors if this is your specialty and feel you have knowledge to share. We have a great club and know there are Model A enthusiasts out there who don't know about us, yet!

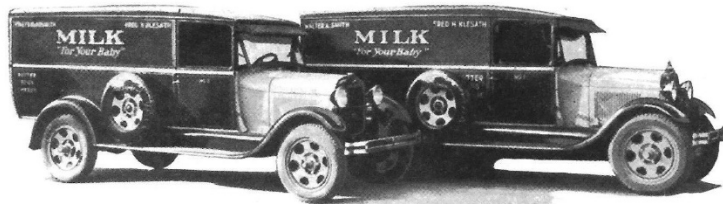

We have extended the 100K in a Day Driving Challenge through the end of 2017. We've heard from several clubs that they had not yet been able to take their drive together, so your mileage is now due to [100k @ mafca.com](mailto:100k@mafca.com) or by USPS mail to MAFCA, 100-K, 250 S. Cypress St., La Habra, CA 90631-5515 by December 31, 2017.

The Board is also looking for a Chapter, SIG or Region to host the 2020 National Convention. A convention is a wonderful opportunity to showcase your area of the country and bring MAFCA members together from all over the world. If your club would like to host or have questions about what it takes to host a national convention, please contact David White, 2017 Vice President at [vp @ mafca.com](mailto:vp@mafca.com). Your Board of Directors wants to hear from you.

Your Board is available to hear your voice, please contact us with your comments and concerns. My email address is [president @ mafca.com](mailto:president@mafca.com) and I can also be reached by phone, 803-622-0048.

More Satisfied Ford Users

"We have never operated any make of truck that has been so thoroughly satisfactory in our line of business, the daily delivery of milk."

—Smith and Klesuth
Topeka, Kansas

"We find the Ford truck ideal in meeting road conditions ranging from paved highway to very heavy sand, at a minimum up-keep."

—Jefferson County Gas & Oil Co.
Monticello, Florida

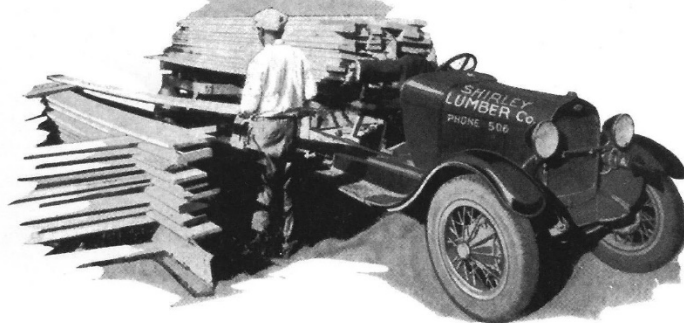

"Gas consumption has averaged 18 miles to the gallon. We would recommend the Ford truck on the service alone that we have received from our Ford dealer."

—Farmers Produce Co.
Auburn, Neb.

"This truck is in operation about 16 hours a day hauling 1300 feet of green lumber (6,500 pounds) 146 miles daily, and is giving entire satisfaction. The operating expense has been confined almost entirely to the cost of gasoline and oil."

Technical Notes

Ford Model A body styles

Almost two dozen body styles were available, not including commercial models. The models are standard and deluxe phaeton; standard and deluxe roadster; standard and

1929 Standard Roadster

deluxe coupe; standard and deluxe Tudor (2 door) sedan; standard and deluxe Fordor sedan (Briggs/Murray) and Victoria. Coupe models included Sports and Business coupes. Others were the cabriolet, convertible sedan (A400), taxi cab, town car (limousine), station wagon, pick-up truck (various styles), AA truck (various styles), and commercial use vehicles.

What shows display antique cars like the Model A?

Many local communities and towns have automobile shows and parades. Check local advertising. The George Washington Chapter Model A Club and the Fairfax County Park Authority conduct a show every Fathers Day at the Sully Plantation, near Dulles International Airport. The Sully car show highlights Model A Fords but includes all cars manufactured before 1973. In 2007, the show registered 378 antique, vintage, and classic cars and trucks. Over 6,000 people attended the event.

Model A factoids

- The Model A Ford came out before the October 1929 Stock Market Crash and was manufactured through the Great Depression. During this period, Henry Ford continued paying his workers \$5 a day.
- The 20 millionth Ford car was produced on 14 April 1931. It was a slant windshield Fordor.

What if I am not an experienced mechanic?

Interest in the car is more important than mechanical experience or aptitude. However, there is an extensive body of information available showing ways to repair, adjust, and operate this rather uncomplicated machine. Remarkably, fellow Model A owners enjoy helping others keep them operating.

OK, I am interested in learning more – where can I go?

MAFFI Newsletter Minute

October 2017

At this year's annual Board of Directors Meeting, we were excited to have Olle Bergstrom accept the position of International Liaison for MAFFI. This newly created position is intended to provide greater exposure for our museum and to gain knowledge of activities in manufacturing and sales for the Model A outside of North America.

This year we began building an exhibit we have titled "A-Round the World". We have acquired memorabilia, a right-hand drive Deluxe Phaeton and have produced signage to explain the history of Ford Model A production and marketing in Europe, Asia and South America. We are looking forward to having Olle help expand our exhibit content and generate greater international enthusiasm for our museum.

If you weren't able to be at Model A Day this year, plan a trip to see the Museum. There is something new to see and explore not only at our facility but at the Gilmore as well.

Thank you for your continued support of MAFFI!

Model "A" Ford Refilled with STOPNOX at 17 Cents a Gallon

Today's image of a 1930 Model "A" Ford coupe equipped with a winter front was taken in Hartford, Connecticut in 1931 while it was being refilled with STOPNOX gasoline costing 17 cents per gallon. The station had at least five double fuel pump units, and six motor oil tanks and pumps are visible in the photo including one on the far-left for dispensing "Amalie," a motor oil made from Pennsylvania crude that is still in the market today.

Spark knock, pinging, and detonation have long been the bane of motorists and all describe a noise caused by erratic combustion of the air and fuel mix in an engine. STOPNOX and other brands of gasoline containing tetraethyllead were first introduced in the 1920s after the fuel additive that increases the octane rating was first used in racing cars. It allows for higher compression ratios to be used and in most cases, eliminates spark knock. A number of other gasoline blends sold during the period contained the word nox or ethyl in the fuels brand name.
